

Key information: Hospitalisation (family)

About this document

MOCK DOCUMENT made for a hackathon demo. It is not an official KBC or insurer document, and the figures are invented.

What kind of insurance is this?

Hospitalisation (family).

What is insured?

You break a leg and stay three nights: The costs your mutuality does not pay. You have planned surgery: The fees and treatment during the stay. You choose a single room: The room supplement. You need check-ups after the stay: Consultations and medication before and after.

What is not insured?

A condition you already had: May be excluded or have a waiting period. Cosmetic surgery: Unless it is medically needed. Glasses or a visit to the dentist: Not part of hospitalisation cover.

Where am I covered?

Sample text. Usually in Belgium; some covers extend abroad.

What do I pay?

58.2 (monthly). Mock figure.
